

Message from the Owners

Welcome to our November issue of the Coconut Telegraph! It has been quite a summer, and as the last leaves are hanging on the trees and we stare down winter, we think warm thoughts of trips recently taken and start trying to figure out how we are going to top them! For those of you who were following along we went to Egypt, Morrocco, Mexico, Costa Rica, and the team visited many more great locations.

If you would like to follow along we will be posting pictures from our Virgin Voyages Cruise in November on our social media pages and Turks and Caicos in December. Better yet, join us on our Virtual Cruise Night with RCL to get great deals on November 8th. If you miss that, keep following us as we will be posting great deals for Black Friday.

Have you thought about what to get the person who has everything? How about a nice trip? The holidays are all about spending time with those we care about and the gift of a vacation is one of the best ways to spend time together making memories.

Sincerely,
John & Carrie Frazier
