Happy New Year to everyone! We are looking forward to another incredible year of travel. We have lot's of trips planned for us and our clients and are not sure which we are more excited about. The experiences that lay ahead in our travels or hearing all the wonderful stories about our amazing clients trips. One thing is for sure memories are rarely made staying at home doing nothing. Last year our team traveled on cruises, tours, and even trains. We visited almost all 7 continents. If you have not booked a trip yet for this year, or for that matter next year please reach out. We have so many great deals and events coming up there is definitely something for everyone. In just the next few months we have exclusive deals with companies like Royal Caribbean, Sandals, and Virgin Cruises. If you are looking for ideas, subscribe to our Facebook page where we not only post deals, but photos and videos from our travels. We will be going traveling internationally, to Mexico, Jamaica, Germany, Grand Cayman, to name a few. We will even be doing great trips in the USA to California and Alaska. That's just what we have on the books!

GROUP CRUISE DISNEY'S CASTAWAY CAY BAHAMAS

Castaway Cay is another of the many private islands that the cruise lines offer guests that sail with them and Disney is no different. Disney Cruise Line was the first to offer a dedicated pier to be built to allow their ships to dock instead of the usual tendering from the ship at anchor. This became a great selling point for Disney as their passengers can walk directly off the ship to the beach.

As with all things Disney, this island caters to families and kids with a wide variety of things to do including snorkeling, paddle boats, waterslides, ping pong, beach volleyball and more. For dining options, the island offers a great BBQ lunch that is complimentary as well as a variety of bars to get something to drink during the day.

There is also an adult only area called Serenity Bay to relax while the kids are entertained with the many options that Disney offers with their kids program.

Many of Disney Cruise Lines itineraries include a stop at the island – especially on their short cruise program with sailings offered from Port Canaveral and Fort Lauderdale.

GROUP CRUISE CARNIVAL JUBILEE

Carnival Jubilee is the third sister in the Carnival Mardi Gras class for Carnival Cruise Line and has just entered service just before Christmas 2023 and is currently homeported in Galveston Texas.

As with sisters Mardi Gras and Celebration, Jubilee offers guests highlights including:

- Bolt – the first rollercoaster at sea
- Grand Central – the ships Atrium area that offers floor to ceiling windows and a ceiling with 1400 color-changing lights
- The Shores – a new zone on Jubilee to enjoy pizza, the Marina Bar and Beach Buns which is a sandwich shop similar to what you would find on a boardwalk.
- Summer Landing which is at the rear of the ship overlooking the wake
- The Lido – the ships main pool deck area
- The Ultimate Playground where the rollercoaster is found along with Carnival Waterworks.
- Emerils Bistro 717
- Cucina Del Capitano
- Rudis Seagrill
- Bonsai Teppanyaki
- Guys Pig and Anchor Smokehouse
- Fahrenheit Steak House

The ship is currently sailing 7-night itineraries to the Western Caribbean with stops that include Cozumel Mexico, Costa Maya Mexico and Mahogany Bay with a few days at sea mixed in.
